

2012 Design Awards winners

The 2012 Design Awards winners were honored February 23 at the Rosen Plaza Hotel in Orlando. These awards are a way to celebrate and recognize the great work done in the swimming pool industry in Florida.

These are not just good looking pools, they are properly built as well. Entries include a summary of goals and accomplishments, a plumbing diagram and a photo of the pool. All company and client information is removed from materials prior to judging and entries are identified only by number.

Industry professionals serve as judges and assess the quality of workmanship and design. Challenges, technical achievements, design and aesthetic value are all taken into consideration.

Congratulations to all of the 2012 Design Awards winners. View some of the winning pools here and the rest in the April issue of *Florida Pool Prosm*.
